## **Notice on medical expenses and domestic traveller insurance**

Certainly, here's the revised version with that addition:

### **Domestic Traveler Insurance**

JINIS Camp is covered by Domestic Travel Accident Insurance (Tokio Marine & Nichido Fire Insurance Co., Ltd.). In the unlikely event that you need to make an insurance claim, please submit the insurance claim consent form after the camp concludes.

Eligibility:

Participants (children), both domestic and international, are eligible for coverage. International participants must ensure they have joined international travel insurance before leaving their home country.

Coverage:

Death, permanent disability, hospitalization, outpatient visits, personal liability, baggage, and nursing and transportation expenses for parents or guardians.

Please note that the following are not covered:

Medical expenses for illnesses such as colds, influenza, etc., and expenses associated with medical facility visits.

Settlements for outpatient visits due to illness shall be subject to the clause below. Additionally, expenses related to medical facility visits are not covered.

For payments via bank transfer or if parents or guardians visit the school on the final day, we kindly request cash payment at the venue. In addition to medical expenses, the following expenses will be incurred:

- Supervision fee for hospital visits within Jinseki Kogen town: ¥1,000
- Supervision fee for hospital visits to neighboring towns/cities: ¥3,000
